

Field trip schedule (subject to change)

Date	Location(s)	Reason for trip
12/15/09	Garten Services/Surplus	All state e-waste is sent to Surplus for recycling or reuse. Paper and e-waste from state buildings in Salem and Portland is recycled at Garten.
6/8/10	Salem-Keizer Transfer Station	Marion County established a good recycling depot and sorting system for home recycling and disposal.
9/28/10	Willow Creek Wastewater Treatment/Gerrin Island	Water and sewage from state buildings in Salem goes through Willow Creek. Water for state buildings in Salem comes from Gerrin Island.
12/7/10	Brooks Burner/Agri-Plas/Woodburn monofill	Garbage from state buildings in Salem goes to the burner. Ash from the burner is land filled in Woodburn. State plastics go to Agri-Plas for recycling.
3/29/11	Coffin Butte landfill	Some garbage from Salem finds its way to Coffin Butte.

To join the tours:

1. Obtain permission from supervisor and ensure work coverage.
2. Contact Elin Shepard (503-373-7132) to sign up.
3. Join a carpool w/Elin or someone else.
4. Plan to draft a short summary (1-2 paragraphs or a bulleted list) of experiences and observations to share with coworkers and/or submit to Elin for the newsletter.
